Art Project Gallery Framing and Deco Opens in Downtown Hollywood

HOLLYWOOD, FL – February 16, 2010 – The Hollywood Community Redevelopment Agency (CRA) welcomes Art Project Gallery as the newest addition to the growing list of galleries relocating to 2000 Harrison Street, Bay #4. Offering a hip international variety of work on countless forms of media, Art Project Gallery offers irresistible original artwork for moderate prices.

Gallery owners, renowned Venezuelan artist Javier Hidalgo and award-winning Argentine sculptor Gabriel Ratti, wanted to create a distinctive gallery to promote all forms of artistic expression and offer an ambience like no other. "We wanted to create a space for the complete exposure and conservation of the arts, to serve the community and offer opportunities, activities and exhibitions that will contribute to the artistic growth of Downtown Hollywood," says Hildago.

Art Project Gallery seeks to ensure all aspects of its customers' art needs are met. Besides offering a unique art experience with events and exhibits, Art Project Gallery provides complete services in framing and restoration.

On Saturday, February 20th, during the Downtown Hollywood ArtWalk, Art Project Gallery will continue to celebrate Valentine's Day with "Love Factory: Art & Music Show," offering art, music, and poetry that highlights the artists and artwork it is currently featuring. For more information about Art Project Gallery, please contact Javier Hidalgo at 954.455.5594 or e-mail apgallery@gmail.com
